

Approved STEM Majors for NFS Sponsored LSAMP Program

Aerospace Engineering

Animal Science

Applied Sciences in Engineering (Engineering Physics)

Astrophysics

Biochemistry

Biochemistry and Molecular Biology

Biology

Biomathematics

Biomedical Engineering

Biomedical Science

Biotechnology

Business Analytics (Business Management)

Cell and Molecular Biology

Cell Biology

Chemical Engineering

Chemistry

Chemical Biology

Civil Engineering

Computer and Information Sciences

Computer Engineering

Computer Science

Earth and Planetary Sciences

Ecology and Evolution Biology

Ecology, Evolution, and Natural Resources

Electrical Engineering

Engineering

Environmental and Business Economics (Business Management)

Environmental Engineering

Environmental, Policy, Institutions and Behavior (Human Ecology)

Environmental Science

Environmental Studies

Exercise Science
Food Science and Technology
Genetics
Geology
Industrial Engineering
Information Science/ Studies
Landscape Architecture
Management Science
Marine Biology/Marine Sciences
Materials Engineering
Material Science
Mathematics
Mechanical Engineering
Meteorology
Microbiology
Molecular Biology
Neuroscience
Nutrition Sciences
Oceanography
Physics
Physiology
Plant Biology
Statistics
Systems Engineering
Zoology
